FROM THE EDITOR

Richard Lloyd-Roberts

Dear Readers,

Welcome to the October issue of the CJC Newsletter. As we approach the November elections I am looking for someone to take the reigns of the newsletter for next year. I have sold my car and for the foreseeable future I will be focused on my business ventures. We are expanding our company and so I will not have the time or resources to participate in the club activities and newsletter duties. After 7 years of running the website, social media, holding various officer positions its time to take a step back and offer the position to another club member.

It has been a pleasure serving the club. I have made many friends and have had many good times.

Thanks for all the miles and happy motoring

From The President

Eric Dunn

Hello Everyone.

The British Car Club Show in Mills River, North Carolina last month continued its splendid tradition of having a great display of British precious metals. The location next to The Mills River Brewing Company Restaurant gave all a great food and beverage availability. Our October club event is presently underway for those on the week long Road Trip in the Chesapeake Bay Area. We will all look forward to hearing all the exciting news from that great adventure. For those of us who couldn't make the Road Trip, there was a very nice car show at RK Motors just north of Charlotte. They also had on display their new showroom of fabulous classic cars. Another entertaining event at the end of September was the International Jaguar Festival in Columbia, where a few of our club members participated in various festivities including the Concours and the Slalom. Needless to say, the last 4 or 5 weeks have been as busy as it gets for us gearheads.

Our November Club event will be in Greensboro on the 11th at Foreign Accents. Details later in this newsletter . The CJC Annual officer elections will occur at this event. The present nominations include -----President, John Stewart; Vice President, Kevin Mann; Secretary, John Fryday; Treasurer, Rick Wotring; Concours Co-Chairs, Brad and Barbara Merlie; Membership Co Chairs, Kevin and Nancy Willis; Newsletter Editor, position to be filled. At the meeting, ballots will be handed out, votes cast and ballots collected and tallied confidentially by the club Treasurer and head of the nominations committee. Absentee ballots will also be counted by the Treasurer after delivery by proxy. Absentee ballot has been furnish by previous email to all members.

Hope to see you in Greensboro.
Meanwhile stay between the ditches.
Best regards.
Eric

Some claim heritage. Others have truly earned it.

Almost every new Jaguar has been a breakthrough in design or performance. Or both.

The XJS is no exception. It has been designed to be the definitive Jaguar.

Which makes it, in almost every way, the definitive high-performance luxury car.

More than five years and £5 million went into its design and production.

With the result that no other car currently made offers a comparable combination of safety, luxury and performance. At anywhere near the price. (£8,900.19p. inc. VAT, Car Tax

and front seat belts, but not delivery charges or number plates.)

The list of technical innovations in the XJS is impressive. As is the list of luxury and safety items which are fitted as standard equipment.

And it goes without saying that the performance is startling.

Zero to sixty takes under seven seconds.

The top speed, where permissible, is in the region of 150 mph.

Yet this level of performance is achieved in levels of silence and safety that will astonish

and delight you. As will the mpg figures.

Admittedly, because of the export demands for the XJS, you may have to wait a while before joining the elite few who own one.

But the wait will be well worthwhile.

So let patience bring its reward.

The Jaguar XJS.

The car everyone dreams of. But very, very few can ever own.

From Leyland Cars. With Supercovers.

Membership Report
Kevin & Nancy Willis
CJC Membership Co-Chairs

Happy October! Nancy and I just returned from our Club's annual Road Trip and had an excellent adventure with 14 other members. We toured the Eastern Shore of Virginia and Maryland for a week and saw some incredible sights. Look for an article on the trip in an upcoming Litter Box.

If your schedule allows, please join us for either of our final events for 2023! We will have our Officer election at Foreign Accents in Greensboro in November and our Holiday party in December in Asheville. Please book your rooms by November 1, if you can join us. The best way to enjoy the fun is to attend our events.

We are excited to share that we have once again set a new record for membership with 204 Primary and Associate memberships, representing 405 individuals. We are excited to see the Club continue to grow and spread the Jaguar message!

See history below:

Originally purchased in the fall of 1970 by Richard Merryman and his wife. It was sold to Harold L Hall, Jr. on February 15, 1972. Harold and his wife owned the car until August 1983.

Ownership / history of the car from August 1983 till Sep 1995 is missing. Paul C Henry bought the car from Donald Goff in Ohio in 1995. Henry entered the car in a Jaguar Club competition in Ohio in 1997 and scored an overall 98.94 points on a scale of 100 points.

The next known purchase of the car was October 2002 on eBay by Daniel Myers of Pittsburgh, PA. Meyers apparently owned the car for a good many years. Around 2005 (65,000 miles), he had the car restored which included a rebuild of the rear end and the he engine, and replaced the clutch with a new clutch assembly. .

There is an extensive folder of receipts and notes and documentation that Daniel kept. He put a lot of money into this car as evidenced by all the receipts and notes.

An email of Oct 24, 2019 from Charles Clarkson Hines tells the story as the car moved from Daniel Myers in Pittsburgh, PA to Mr. Hines in NY. (A copy of the email can be provided upon request.)

The second owner of the E-Type, Harold (Hap) Hall, began thinking of the car that he owned. By coincidence, he found the car at an auction in 2019 and purchased the car for a second time.

This car is in exquisite condition. It is ready to be driven and to begin winning awards at car shows.
