Hello Everyone.

For those that missed our August event of “Trains, Planes and Automobiles” at the North Carolina Transportation Museum in Spencer, you need to find some time to set aside and make that trip. The incredible history of the evolution of transportation and transport throughout North Carolina and the eastern United States is beautifully displayed. Our next event is the “Autumn in the Mountains” British Car Club Show on September 23 at Mills River Brewing Company, located where else but Mills River, N.C. Details are later in this newsletter. In fact, be sure and review all the upcoming events for the remainder of the year in the newsletter. There is as much available as Ringling Bros. & Barnum Bailey. Kevin Mann, V.P. and Events, has done a wonderful job organizing and coordinating our events this year. Thank you ,Kevin.

For those not going on the Road Trip, later in this newsletter is a notice for a car show and new showroom opening at RK Motors near Concord. You can pull up the link and find all the info on how to register, maps, etc. RK Motors will be participating in our AGM next March.

Time for an update on British Pubs. For hundreds of years the British Pub served as a primary gathering place for the people in the local community to socialize. It was a bar, a restaurant, and most provided some overnight accommodations. Today the Pub is threatened .The British Pub Association reports that approximately 30 Pubs per week are closing. Reasons are varied---higher taxes on beer, large supermarkets discounting prices, and changing demographics. Younger Britains now prefer spirits and wine instead of beer and also the COVID crisis closed many Pubs . Oxford University did a study recently and found people who visit Pubs tend to be more social and productive in their communities, have a better sense of well being, and are protective of British culture and heritage. All that can be said is “God save the King and the British Pub”.

Always keep driving and keep between the ditches.

Best regards.

Eric

## North Georgia Jaguar Club 2023 Concours d'Elegance

I am writing to let you know about our upcoming Concours d'Elegance and extend an invitation to members of the Carolina Jaguar Club who may wish to attend. Please pass this on to your members.

The North Georgia Jaguar Club will be holding our annual Concours d'Elegance on Sunday, October 29, 2023 at the Chattahoochee Country Club, located at 3000 Club Drive, Gainesville GA 30506, on the shores of beautiful Lake Sidney Lanier.

Once again, cars will be judged and awards given in Champion and Driven Divisions. Due to limitations on qualified judges and our desire to stay within a specific time frame to complete judging, there may be limits on the number of cars within each class that will be able to be judged, so please register early.

Registration will close September 30, 2023. Unfortunately, we will not be able to accept late registration applications for Champion and Driven Division cars. Display only cars may register beyond September 30th and are heartily invited to do so.

Use online registration at <http://www.ngjc.us/>. Select the CALENDAR OF EVENTS tab, scroll down to the October 29, 2023 NGJC Concours d'Elegance event, and click on [HERE](#) for the online registration form.

Champion and Driven Division entry fees are \$30 for first car and \$10 for additional cars.

No charge for Display only cars.

Lunch cost is an all-inclusive \$75 per person.

Schedule of events is as follows. Field opens at 10:00 am for OV and prepping cars. Rags down at 11:30 am, followed by a delicious lunch served in the main clubhouse dining room. Judging will commence at approximately 1:00 pm with presentation of awards and trophies around 4:00 pm.

For those of you seeking overnight accommodations, we have reserved a block of rooms at the brand-new Courtyard Hotel, situated at 124 EE Butler Parkway in Gainesville GA for Oct 27 through Oct 29 at a rate of \$179 per night.

Hello from Gary Hagopian, your Coventry Foundation's liaison.

Attached are pictures of the most recent addition to the Foundation's museum, a refurbished Jaguar engine mounted and running on a custom-built engine stand. Prepared over the past several months, it will debut at the 2023 International Jaguar Festival in Columbia, SC in September, becoming a permanent display at the museum. It was assembled with its major elements from my personal stash, and supplemented by donations from several Jaguar enthusiasts from Dr. Mike Mueller in TX to SNG Barratt in NH.

Its purpose is to showcase Jaguar's world-beating XK engine, the one that powered Le-Mans-winning race cars as well as elegant Jaguar saloon cars, for more than 40 years! Closely resembling those of the series I E type, it epitomizes both the beauty and functionality of the XK engine.

We expect it to be an admired addition to the museum and be used for tech sessions on SU carburetors, valve adjustment, and distributor electrical systems.

Visit the Coventry Foundation's museum to view all of its incredible displays, and please remember that the Foundation needs your continued support!

NEW, NOS, OE & USED PARTS FOR ALL  
JAGUAR MODELS FROM 1947 TO THE PRESENT

To a world filled with compromise, we make no contribution.

In building something of superlative value, there can be no compromise.

No compromise, therefore, was allowed in the design of the Jaguar XJ6. Jaguar's objective: to create the world's finest high-performance sedan. And, in the opinion of many automotive experts, we've succeeded.

To start with, the XJ6 possesses an enviable performance profile. Its power source: an XK 4.2 litre twin-overhead cam engine that is incredibly smooth and silent. And, with over 340,000 such engines produced, it has been described by one prominent automotive publication as "almost faultless."

In terms of road holding, handling, and general behavior, the Jaguar XJ6 is near

perfection. It has a fully independent 4-wheel suspension system with "anti-dive" geometry. Power-assisted rack-and-pinion steering with 3.5 turns lock to lock. Perfectly balanced caliper-type disc brakes front and rear (also power-assisted). And a low center of gravity with an unusually wide track.

Matching its uncompromising performance is the quality of its interior. Hand-cut leather upholstery sets the tone. And following through are such amenities as a hand-rubbed burled walnut fascia, an impressively organized easy-to-monitor instrumentation system, lavishly contoured reclining front seats, and the positive comfort of flow-through ventilation.

The performance, the refinement,

everything about the XJ6: definitively, uncompromisingly Jaguar. Not surprisingly, the XJ6 has been named by *Road Test Magazine* as "The 1971 Car of the Year." Surprisingly, it costs less than \$7,500\*.

# 2023 International Jaguar Festival

September 28<sup>th</sup> to October 1, 2023

Columbia, South Carolina

## IJF Concours d'Elegance at Saluda Shoals:

Jaguar Society of South Carolina (JSSC) will carry the JCNA banner and host the 2023 IJF in Columbia, South Carolina. Coventry Foundation has answered the call and will co-host with a reception, open house, cocktail hours and serve as a hub between our JCNA sanctioned concours, rally and slalom. We are calling on JCNA regional clubs and JCNA members and Jag enthusiasts to join us to make the 2023 IJF successful. Thanks to our Southeast Region for all your support!

This NOS IJF is planned as a *high speed, low drag* celebration with our warm Southern clime, vibe and cuisine; with fine, fast Jags and spirited drivers over four active days, at *vintage* cost.

### Thursday, September 28<sup>th</sup> – Opening Reception and Open House

Thursday, from 2:00 PM to 9:00 PM, Coventry Foundation (“CF”) will host an open house with activities, heavy hors d’oeuvres and refreshments throughout the afternoon. Several Jags, the factory tool collection, rare Jaguar literature, media, and collectibles, and the JCNA archives, will be on view. Cheers to JCNA and CF Boards of Directors: a Cocktail hour with cash bar for all!

### Friday, September 29<sup>th</sup> – Sanction Rally and Dinner Party at Saluda Shoals River Center

Friday promises a sanctioned rally around Lake Murray and country roads, followed by a catered dinner party at scenic Saluda Shoals; and drop in hours at Coventry Foundation during the day.

### Saturday, September 30<sup>th</sup> – JCNA Sanctioned IJF Concours at Saluda Shoals

Sanctioned JCNA IJF Concours at Saluda Shoals: a full day picnic at Saluda Shoals with a repeat of our southern BBQ with competition pitmasters on the grill, just like we served at the 2021 AGM. Blue ribbon baby back ribs, pulled pork, bbq chicken and southern sides will be on the table when we ring the dinner bell. IJF Awards and Trophy Presentation before we close!

### Sunday, October 1 – Sanctioned Slalom

Wrap up the weekend with a spirited Sanctioned Slalom on Sunday morning. We hear that some of JCNA’s fastest ever slalom champs will attend. Bring your helmets or we’ll share ours!

Registration will open in the coming days and clear registration information will be posted. Please contact Rob Thuss at (888) 258-2524 (option 3) or email [rrthuss@me.com](mailto:rrthuss@me.com) for details.

**Ownership / history of the car from August 1983 till Sep 1995 is missing. Paul C Henry bought the car from Donald Goff in Ohio in 1995. Henry entered the car in a Jaguar Club competition in Ohio in 1997 and scored an overall 98.94 points on a scale of 100 points.**

**The next known purchase of the car was October 2002 on eBay by Daniel Myers of Pittsburgh, PA. Meyers apparently owned the car for a good many years. Around 2005 (65,000 miles), he had the car restored which included a rebuild of the rear end and the he engine, and replaced the clutch with a new clutch assembly. .**

**There is an extensive folder of receipts and notes and documentation that Daniel kept. He put a lot of money into this car as evidenced by all the receipts and notes.**

**The second owner of the E-Type, Harold (Hap) Hall, began thinking of the car that he owned. By coincidence, he found the car at an auction in 2019 and purchased the car for a second time.**
